

Consultation on a proposed change to the published admission arrangements for Warmingham CE Primary School, School Lane, Warmingham, Sandbach, CW11 3QN with effect from September 2027

Background

The Chester Diocesan Academies Trust (CDAT) and the school's local governance committee wish to consult on proposed changes to their admissions policy including the oversubscription criteria to be used in the event of the receipt of more applications for places than can be provided. The Regulations and Code of Practice relating to school admissions require an admissions authority, CDAT in this case, to consult when proposing changes to their admissions arrangements.

Specific Proposal

The Trust and Local Governance Committee wish to add an additional oversubscription criterion – at criterion 6 - to the school's existing admissions policy. This will specifically state:

“Children who have attended the school's nursery class for at least one term in the previous two years. This includes children who have attended on a part-time basis. Part-time is defined as less than the standard 32.5 hours of schooling per week.”

There are no other changes proposed to the oversubscription criteria. The school's planned admission number will remain as 12.

Subject to the outcome of this consultation process, this change will come into effect on 1 September 2027 and the existing admissions arrangements will remain in place until that time. Those children already with a place in the school will not experience any change to their admissions status as a result of this proposal.

Further information on the proposal, including a full version of the proposed admission policy can be found at: www.cdat.co.uk/latest-from-cdat.html and clicking on the school's name at the foot of the page.
